Celebrate Tolland-Virtual
9/6/20-9/12/20

The Tolland Recreation Department coordinates a wide range of programs and special events throughout the year. Brochures are provided 3 times a year containing program description and registration information. Email blasts are sent out periodically to those who have current email addresses listed with the Tolland Recreation Department and the Town’s eblast system. All our programs can be registered on-line.

Organization’s Name: Tolland Boys Scouts Troop 2
Contact information: andypowell@snet.net
Tolland Garden Paths began in 2001 as a small group of Tolland residents who loved gardening and were looking for a way to share their knowledge with each other. In 2003, the club became a qualified non-profit organization and a member of the Federated Garden Clubs of Connecticut. Tolland Garden Paths has continued to grow each year but maintains the same informal, friendly atmosphere that marked its beginning. Our members range in age and we come from different backgrounds but we all share a passion for gardening, learning, and enjoying social activities with each other. Our membership includes beginner gardeners, master gardeners, a landscape designer, a floral designer, several artists, and a horticulture major.

Tolland Youth Garden offers fun programs for kids, youth, adults and families to learn about the joys and benefits of gardening and community service.

The Tolland Fire Department, Inc. has been providing fire protection for the Town of Tolland since 1933. Today, the men and women who volunteer their services as Firefighters, Emergency Medical Technicians, Medical Response Technicians or Fire Police officers work closely with six paid Firefighter/EMT’s in a modern combination department that provides the highest possible level of fire, ambulance and emergency medical service for the town’s residents and businesses. These volunteers hope you will find the items on this web site helpful and informative!

C.E.R.T. members will learn valuable skills such as:
• How to recognize hazards that are most likely to affect your home, workplace, and neighborhood.
• Steps you can take to prepare for a disaster.
• Identifying and reducing potential fire hazards in your home.
• What to do when disaster strikes.

C.E.R.T. members also learn how to:
• Assist Emergency Management and First Responders in meeting the needs of the community during disaster.
• Be part of a team serving the community.
